

Robot Workshops

For Teachers and Parents

Open to adults or high school students with guardian permission

Learn How to Build and Program

Come and learn how to build and program robots using the Lego® Mindstorms robot kits. These are simple and robust machines that can be used for any number of different projects!

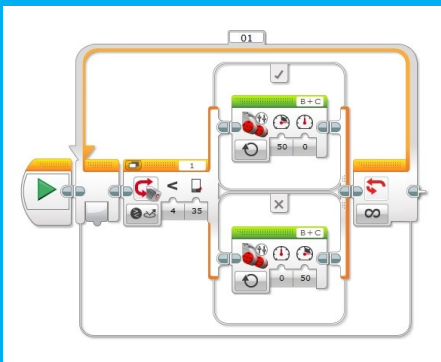

Signup and Register at mainerobotics.org/workshops or Fill Out the Form on the Back

Find Out About Robot Competitions

Learn about robot competitions in Maine like the FIRST® Lego® League (FLL) and Maine Robot Track Meets. Get tips, tricks, and advice for coaching and/or starting a team.

Photo Release Agreement

I, _____ (name of participant), hereby grant and authorize Maine Robotics, its employees and agents to make use of, license or assign the use of, my image, appearance, likeness, voice and/or photograph, and other reproductions of any of these, in still photographs, videotapes, publications, audio, sound recordings, web sites, electronic and other media and/or motion pictures, (hereinafter all of which are included in the term "Material") and to do so without mention of my name. *See Maine Robotics Privacy Policy for additional information.*

I understand and agree that I am to receive no compensation of any kind, monetary or otherwise, on account of or arising from the production, publication, recording, rebroadcasting, or other use of such Material.

Maine Robotics shall have complete ownership of the Material produced or published and shall have the exclusive right and license to make such use of that Material as it wishes, including, but not limited to the right of performance, display, reproduction and distribution in all media, and the right to create, perform, display and distribute derivative works of the Material. I hereby release Maine Robotics, its employees and agents from all expenses, claims and liabilities incurred by me arising out of or in connection with my appearance and/or the use of the Material, except to the extent that those expenses, claims or liabilities are the direct result of the negligent acts or omissions of Maine Robotics, its employees or agents.

I understand that I will be attending a public event and that Maine Robotics shall not be responsible for the actions, publication, or airing of any written or broadcast media associated with said public event.

This agreement shall be governed and construed according to the laws of the State of Maine.
