

2023 MAINE STEM FILM CHALLENGE

No Limits!

Come join USM for the first annual Maine STEM Film Challenge!

Teams are forming around Maine and will be making STEM videos on a topic of their choice. Think mini-documentary!

Videos will be highlighted, and awards given, at the Maine STEM Film Festival at USM's Southworth Planetarium in Portland

Season:

August 28th — November 20th
December 3rd — Film Festival & Awards

For more info:

msfc@maine.edu or
207-780-5235

Four Divisions:

- K-5 grades
- 6-8 grades
- 9-12 grades
- College

SCAN ME

The Movies:

- 3 to 10 minutes
- Have titles and credits
- Be on any STEM topic
- Great classroom or home project
